

- Application No. 10/622,887
- Arndt. Dated 07/20/2004
- Reply to Office communication of 07/09/2004

REMARKS

As the Examiner noted in the Office communication dated July 9, 2004, Claim 48 was previously canceled. The new claim 48 presented in the Response and Amendment dated 23 June 2004 was incorrectly numbered. The new claim should be numbered Claim 49.

New claim 49 is added to more distinctly claim the subject matter that applicants regard as their invention. Claim 49 is fully supported within the specification, and believed to be novel in view of all references of record. Applicants respectfully request that claim 49 be entered and passed onto allowance.

Respectfully submitted,

By: Richard D. Getz
